100% Australian Made Gel Beds

Gel Beds are available as single mattress systems or as Twin Systems with two mattresses and heaters for individual adjustment on a Pedestal (box base) or as an ensemble base unit.

Beds can also be made with draw base units. 4 draws are standard in Queen and King beds or 2 draw bases in Single beds for additional storage.

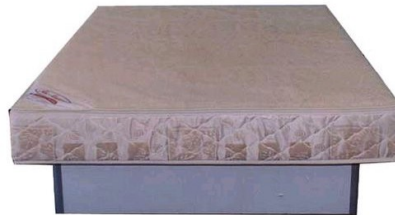

We can make a Gel soft sided bed to fit any existing Frame. Or to a custom height for customers with hip conditions.

4 Draw Ensemble Gel Bed.

We can also convert any traditional Waterbed, soft sided or timber framed, to a Gel bed System. Note it is important that the heater is changed to a 100 watt Type.

We supply these beds to Hospitals and Nursing Homes for improved patient comfort.

Pedestal base. Available in any Stain, lacquered or your choice of colour.

Testimonial.

Eddie Gray - Australia

Dear Mr Waterbed,

Thank you so much for your suggestion regarding the new gel filled twin mattress. Carol and I really have different requirements regarding comfortable temperatures and mattress firmness. This bed is just so perfect.

We loved the waveless queen bed which is now for guests who seem to want to come back again. Most have never experienced a modern waterbed and are just as blown away as we were by the comfort of the bed and the soundness of the sleep they bring.

As I explained to you Carol always wanted the temperature just a few degrees warmer than I required so the individual controls on the new bed have made for complete harmony. We would recommend it to anyone who wants to share their bed with their loved one but still wants the perfect nights sleep.

Thankyou for your advice, courtesy and dedicated service.

The Advantages are;

- Low Wattage Heater.
- Stability is fully adjustable by adding Gel.
- Environmentally safe non toxic Gel.
- Beds can be emptied by killing the Gel back to water by adding table salt.
- Made to a standard Inner Spring size for fitted sheets.
- Can be made to fit any standard bed frame by replacing the slat base with a Pedestal and Deck.
- Available with wool or quilted tops.
- Optional Foam underlay for increased stability.
- Manufactured with 100% Australian parts and Dunlop Foam in our Factory.
- Comes complete with a 5 year warranty on manufacture faults.
